6 DAYS CHIMPANZEE AND GORILLA UGANDA SAFARI.

This 6days chimpanzee and gorilla Uganda safari will give you an amazing safari experience visiting three of the most rewarding national parks in Uganda; kibale national park famous for chimpanzee tracking and bird watching in Bigodi swamp. In queen Elizabeth national park, you will be in the savannah plain with Rwenzori mountains backdrop. The park is also among the famous destinations for visitors interested in game drives in Uganda, still in the park you can have a boat cruise along the kazinga channel and also participate in chimpanzee tracking. Queen Elizabeth national park is place to view the tree climbing lions. Visit Bwindi impenetrable national park a home to the largest population of the endangered mountain gorillas and best place for mountain gorilla trekking in the southern part. Visit lake Bunyonyi one of the most naturally beautiful crater lake in Uganda for relaxation, island hopping, swimming, canoeing and best for birdwatching, nature walks, swimming, with planet of wildlife like impalas, Zebras, water ducks

and beautiful birds like white tailed monad, weavers, African harrier hawk and others.

Tour Highlights.

- ✓ Chimpanzee tracking.
- ✓ Bigodi swamp walk.
- ✓ Game drive in kasenya plains / Ishasha.
- ✓ Boat cruise along the kazinga channel.
- ✓ Mountain gorilla trekking.

Detailed itinerary.

Day 1: Pickup and transfer to Kibale forest national park.

Depending on your location in Kampala, you will be welcomed and picked up by our driver guide who will brief you about your safari and then make your way to kibale forest national park which is about 6hours drive to the park. you will pass through several villages, farmlands, local people, traditional homesteads, Rwenzori mountains, tea plantations. Arrive in the afternoon and drive towards fort portal for lunch and then continue the journey to the park. if time allows you can do a village. later check in at your accommodation for dinner and overnight.

Meal plan: Lunch and Dinner.

[Accommodation: kibale forest camp.](#)

Day 2: Chimpanzee tracking and transfer to queen Elizabeth national park.

After your early morning breakfast, you will meet up with your drive guide to transfer you to the park headquarters for a short briefing about the rules and regulations of chimpanzee tracking. After you will be allocated a chimpanzee habituated family to start the tracking which takes 30minutes to 4hours depending on where the chimpanzees are located because they like moving from one place to another searching for food. During the tracking you will experience other primates like the black and white colobus monkeys, Red tailed monkeys, L'Hoest's Monkeys, lots of Baboons, bird species and plants. Once one is found you are given one hour with them studying their behaviors, lifestyles and take photos. After one-hour encounter with the chimpanzees, will track back to the park headquarters where you will meet up with your driver guide and start the journey to queen Elizabeth national park. Have enroute lunch on the way and then continue the journey to the park. later check in with an evening game drive where you will have a chance to view animals like elephants, Buffaloes, Uganda kobs, water bucks, bush bucks, warthogs and others. After the game drive you will drive to the lodge for dinner and overnight.

Meal plan Lunch and Dinner.

Accommodation: Irungu forest lodge.

Day 3: Game drive and Boat trip along the kazinga channel.
